Project Overview

Project Name: Grocery Web App

Description: An online grocery shopping platform that allows users to browse, select, and purchase groceries from the comfort of their own homes. The platform aims to provide a seamless and efficient shopping experience for customers.

Project Version:v1.0.0

Testing Period: 2025-05-26 to 2025-06-02

Testing Scope:

- User registration and login
- Product browsing and search
- Shopping cart and checkout
- Order tracking and management

Requirements to be Tested:

- As a customer of Grocery Web App, I want to easily browse and search for products.
- As a user, I want secure login and payment processing.
- As an admin, I want to manage products, inventory, and orders.

Test Cases:

Test Case ID	Test Scenario	Test Steps	Expected Result	Actual Result	Pass/Fail
TC-001	User Registration	1. Visit grocery app website/open app 2. Click "Sign Up"	Account creation	Account will be created	[Pass/Fail]
... TC-002		3. Fill in registration details (name, email, password) & submit form
